

Bike Repair Post

with Integral Pump

Model: RP-V5

Description:

The RP-V5 Repair Post provides a convenient place to perform road-side bike repairs or fill a tire. An excellent selection of the tools typically required for most repairs or adjustments are provided. The tools are safely secured on flexible tethers for ease of use. A hanger is provided to hold 1 bike while maintenance is performed on it.

The armored hose includes a dual-use Schrader and Presta chuck to fit most tire valves. The industrial air cylinder provides high pressure air without the maintenance typically required by diaphragm style pumps. An integral gauge assures that your tires receive the correct air pressure. All components are securely housed in a rugged cabinet.

TOOLS:

- 1) Phillips Screwdriver
- 2) Flat Head Screwdriver
- 3) Allen Wrench Combo Set: 2.5, 3, 4, 5, 6, and 8 mm
