

Accordion 5-Bike Rack

Surface Mount Model (Shown): 851115

In-Ground Model: 851125

Capacity: 5 or more Bikes

Description:

The Accordion Bike Rack is a unique design that combines our "Bike" Theme with a compact M-Style Rack. Excellent security is provided by the heavy gauge round steel tubing.

Available in both Surface Mount and In-Ground/Embedded configurations.

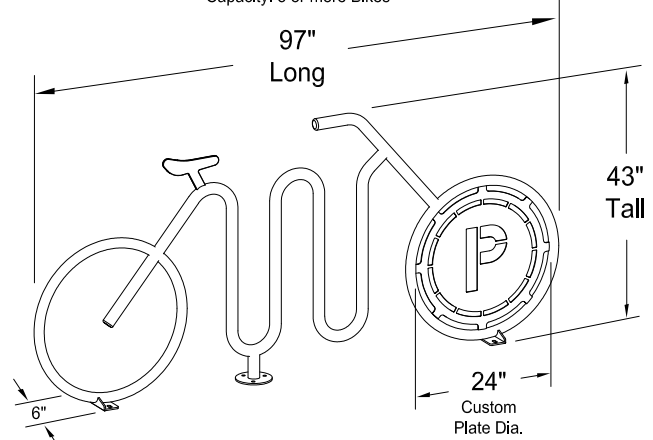

Models available for 5, 7, or 9 bicycles.

Accordion 5-Bike Rack with Custom Logo/Graphics Plate

Surface Mount Model (Shown): 851115-CL

In-Ground Model: 851125-CL

Capacity: 5 or more Bikes

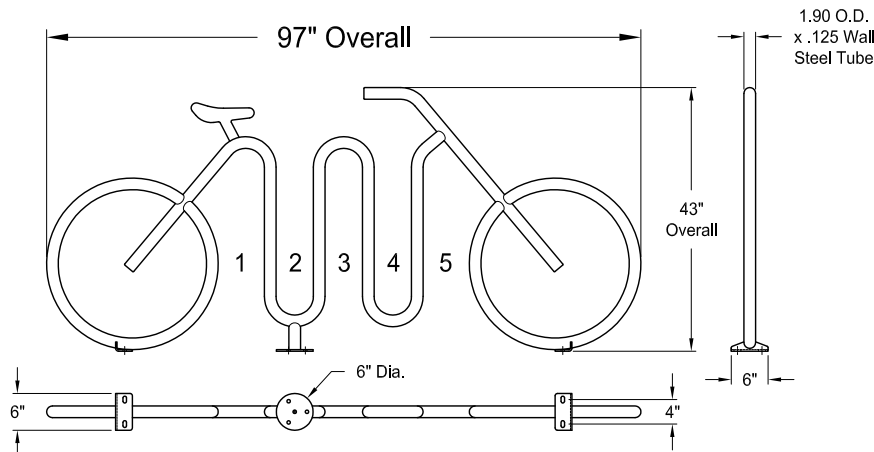

Description:

The Accordion Bike Rack is a unique design that combines our "Bike" Theme with a compact M-Style Rack. Excellent security is provided by the heavy gauge round steel tubing.

The Custom Logo Panel provides a location for advertising, identification or commemorative text. The panel can be provided with custom laser-cut graphics or as a blank panel suitable for applied vinyl graphics.

Available in both Surface Mount and In-Ground/Embedded configurations.

Models available for 5, 7, or 9 bicycles.
