

# CVR-S Rack

## PRODUCT OUTLINE

HIGH VOLUME PARKING

The CVR (Compact Vertical Rack) allows you to hang bikes vertically from the front wheel in order to save space and get bikes up off the floor. This is a simple system that has no moving parts which makes it safe, secure and reliable. A square tube guide bar for each bike provides multi-point locking capability to the bike's frame or wheels.

 4 BIKE CAPACITY (PER MODULE)
